A Few Questions to Help You Decide Where to Start in Your Build Your Bundle Shopping Journey!!

What ages are you homeschooling?

Do you have Special Needs?

What subjects do your children need help with? Where could you use some extra resources to help you meet your children's needs better?

This worksheet is for Building your Bundle of 5 for \$25 that are regularly priced \$19.99 or under. It will have up to 75% savings!! At the bottom figure the total regular price. Then subtract \$25 from the total regular price and you will have how much you are saving.
